Old Oakland has a New Cocktail Lounge

Oakland, CA, Release: Sept 3, 2021. *For Immediate Release*

Industry Veteran Simon Gibson is proud to announce his new cocktail lounge and restaurant [Binny's](#) with a Grand Opening on September 10th at 532 8th Street, in the historic district of Old Oakland.

Binny's is a celebration of the return to intimate and community-based customer service presenting a tailored menu of original and classic cocktails with shareable plates of uncomplicated, veritable bites. From the Art Deco-inspired interiors to the elegant U-shaped bar and cozy banquet seats, Binny's creates an atmosphere that invites people to stay awhile and escape from the bustle of their days. Binny's strives to be approachable yet elevated, leaving pretense at the door.

Try Binny's' savory Steak Frites or super-fresh Tuna Tartare with Taro Chips paired with an iced cold Boulevardier or a mezcal, tequila and shiso pear house cocktail known as the 'Bi-Coastal', a nod to both the forever Oaklanders and the transplants who also call 'The Town' their home.

Binny's is open Tuesday–Saturday from 4pm–10 pm. With a Happy Hour from 4pm–6pm that features special treats plus select menu items at accessible prices.

As Old Oakland continues to grow, Binny's will remain in constant connection to the neighborhood, serving the wants and needs of the community and providing a friendly place of solace and nourishment.
